163 delegates

Positives...
• Each country recognises:
  • the value of coaching
  • more needs to be done
  • their own ‘starting point’

• Each country has some amazing ambassadors for gender equality in coaching

• Recognition that working towards gender equality makes their coaching system more inclusive

Challenges...
• To increase the number of women playing sport

• First steps into coaching: Women coaching at grassroots level

• Open up recruitment processes and support networks

• Raise the profile of coaching to women
